Agenda: October 5th General Education Committee Meeting:

Last meeting minutes (I'll have to bring these)

1. Dr. Collings' comments.
   - I felt reassured that we are on the right track
   - I felt he made specific suggestions that we are already considering ... at least in model 2 ... but that he agrees this is up to us.
2. A few words about timing.
3. Model 1 (with a request from the Fine Arts Faculty)
4. Model 2
5. Model 3: (perhaps we need to give the drafters some idea of what we think we want here).
6. This is going to get tougher now: we have some important criteria to discuss mostly around the total hours for a program and the number of hours per department or category. ... or do we leave this up in the air at this point?
6. Next meeting: I'm nervous that the 19th will be too late for me ... may have to go with the 12th ... and then I'm probably out of commission for a while.
