Student Evaluation of Field Experience

Name (please print): ___________________________________ ID#: ___________ Semester: spring 20___ fall 20___

School where field experience took place: ___________________________________ Grade level:__________

Name of cooperating classroom teacher: ________________________________________

This field experience was for (circle one): EDU  150       414       other______________________________

Instructions: Please be honest in your answers to these questions - your grade for the class will absolutely
NOT be affected by how you answer. We just need your feedback about how field experience helps (or doesn’t
help) your growth as a professional educator. Please let us know what we can do to improve your educational
experience. Thanks!

1. When you began the semester, did you feel pretty certain you knew what subject or grade you were going to
teach someday? _____yes       _____no

2. Was your field experience placement: (check one)
   ___in your area of endorsement
   ___very different from your area of endorsement
   ___does not apply (because you have not declared an endorsement)

3. Did this field experience cause you to: (circle one)
   ___remain committed to your original plan
   ___change your mind about the subject or grade
   ___change your mind about being a teacher

   How or why? ________________________________________________________________

4. Using the rating scale (1-5) below, please rate the EDUCATIONAL VALUE of your field experience, i.e.
   how much do you feel you learned? (Read all options and circle the number that best fits your experience.)
   1 = I put in my time, but I do not value this experience as being beneficial to my professional future.
   2 = I learned a few things, but I was somewhat disappointed overall.
   3 = I was satisfied with this experience. It was okay.
   4 = This experience was good. It gave me an opportunity to grow in my thinking about being a professional
      educator. I gained lots of new insights.
   5 = This experience was great! The observations I made and/or the activities I participated in were all
      beneficial to my professional future.

5. If you could have changed something/anything about this field experience, what would it be?

______________________________________________________________________________

Please use the back of this paper to offer suggestions for how we could improve field experiences.

Thanks!
